

PVDOMICS

L-PVDOMICS STUDY

Biological Sample Tracking System - FROZEN Specimen Shipment Log Form #836

Instructions: Only L-PVDOMICS specimens should be included in the shipment box. PVDOMICS specimens should be shipped separately.

Each shipment log will contain information about the tubes included in one shipment box. Each box may contain specimens from more than one specimen collection or participant. Complete Q1, 2, and 4, scan the barcode from each cryovial or tube, and enter the flag for any cryovials were marked with a black dot due to insufficient blood/urine. **Note: Print a copy of the completed log to enclose in the shipment box.**
