

**PVDOMICS Data Proposal
(June 16, 2022 version)**

1. Proposal Title

2. Principal Investigator, Institution and Contact Information (Address, email, phone)

3. Other Key Personnel Their Role and Their Institution

A description of key personnel in the study team and their role should be provided.

An NIH biosketch for P.I. and key personnel should be **appended at end of proposal**.

4. Proposal Description

a) Background/Rationale (including literature findings and any preliminary data)

b) Research Question(s)/Hypotheses/Specific Aims

c) Primary Outcomes (if appropriate)

d) Brief Analysis Plan

5. PVDOMICS Data Requested

What pulmonary hypertension disease category(ies) is(are) requested:

☐ WSPH 1

☐ WSPH 2

☐ WSPH 3

☐ WSPH 4

☐ WSPH 5

☐ WSPH Group 1 Comparators

☐ WSPH Group 2 Comparators

☐ WSPH Group 3 Comparators

☐ WSPH Group 4 Comparators

☐ WSPH Group 5 Comparators

☐ Healthy Controls

All data requests will include demographic characteristics (e.g., age, gender, race, Hispanic ethnicity).

Use the PVDOMICS Data Dictionary to specify each variable requested by listing the Form #, Question # and Variable Name. In the case of derived/calculated variables (see list on RFA web page), there are no Form and Question numbers, so indicate the Form # as “Derived” and the Question # as Not Applicable (NA). Please limit your data requests to only data that are necessary to carry out your proposal.

See example below, and submit a separate spreadsheet with your list.

Form #	Question #	Variable Name
100	1	PID
100	2	AC
Derived	NA	BMI
103	14	Hypertension?
105	All	Exposure History
